LB 361, 778 - 781
LR 149

SENATOR DUIS: Will we be in session by that time, or will we still be in public hearings?

PRESIDENT: Only the Lord knows what we'll be doing on the 26th. After this morning the Lord is a little worried. His name was taken in vain, you know. You are asking for unanimous consent?

SENATOR DUIS: Unanimous consent for February 2nd.

PRESIDENT: February 2nd. Is there an objection? Seeing none, it is so ordered. Do you have anything further, Mr. Clerk? To read in the record?

CLERK: Yes, Mr. President.

PRESIDENT: All right.

CLERK: New bills. Read title to LB 778, 779, 780 and 781. Mr. President, Senator DeCamp asks unanimous consent to print amendments to LR 149 in the Journal. Mr. President, your Committee on Government gives notice of public hearing in Room 1113 for the week of January 19th.

PRESIDENT: Chair recognizes Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body, just a request that LB 361 be printed in white form with all of the amendments, that we have adopted so far, applied to the white copy so we can read it and see what we've got. I just ask unanimous consent to have that done.

PRESIDENT: Is there any objection? Seeing none, it is so ordered. Mr. Speaker.

SPEAKER LUEDTKE: Mr. President, I just would like to announce there have been several questions asked about the schedule. I'm going to send out a memorandum on it. I was so tied up today I didn't get the thing dictated and out. I'll just mention, the schedule calls for going through the 17th with our ten day schedule. It looks like we will be able to go straight through Tuesday the 17th. That leaves the 18th for a day off, as far as allowing chairmen to prepare work for the committee or, if they want their committees' to work, they can go ahead and some of them are going to do this, go ahead and set hearings for the 18th. Then we will begin on all day hearings the 19th for the following two weeks. This means then by February the 2nd, which was the date that last bill was set for, we will be back in session here. Just so everybody understands. The 18th is a day off, unless the chairman has set a hearing. Then all day schedules beginning the 19th. I move, Mr. President, we adjourn until 9 a.m., Wednesday.

PRESIDENT: Tomorrow morning. You've heard the motion to adjourn till tomorrow morning at 9 a.m. All in favor say aye. Contrary say nay. We are adjourned.
